

**I really don't know
what to do after
high school**

A cartoon illustration of a classroom scene. A boy with brown hair, wearing an orange t-shirt and blue jeans, stands on the left. A girl with brown hair in pigtails, wearing a red jacket over a white shirt and blue pants, stands on the right. Behind them is a large green chalkboard with a wooden frame. A wooden desk is positioned between the boy and the girl. The floor is a solid blue color. A large, light blue watermark with the word 'DEMO' is diagonally across the bottom half of the image. There is also a faint watermark 'cardthat.com' on the right side of the chalkboard.

**I love being a
teacher, you
always meet new
people.**

**Do you like being a
teacher?**

Sounds like being a teacher will be a lot of fun but I wonder how much they make?

Let's try to search
it up... Oh look I
found a website

I really want a lavish life and I don't think a teacher salary is enough. But a doctor pays super well

Super glad I
changed my mind
early on
