User Stories:
- Money Selector
  - As a user, I want to be able to select an amount of money and find jobs that would make around that much money.
- Education Selector
  - As a user, I want to be able to select my education level to see jobs that would be available to me with a certain amount of education.
- Richest Comparisons
  - As a user, I want to be able to see how I compare to the richest people in the world and see how long it would take me to reach their net worth.

Tests:
- Money Selector
  - Test that the selector has reasonable boundaries. Test to make sure the slider is reading correctly and does not fail during operation
- Education Selector
  - Test to make sure that the selected education is reading correctly. Test the selector to make sure it does not break during regular operation.
- Richest Comparisons
  - Test to see how long it would take to acquire their net worth based on the money selectors number inputted by the user. Test to make sure that the numbers are accurate and displayed correctly.
